Sport	Woodworking	Games	Baking & Cooking	
		Project Club	Photo Club	
Study Time / Library	Study Time / Library	Study Time / Library	Study Time / Library	
	English Support	German Support	Math Support	

### Monday

#### Free Play:

It is nice to be able to just relax and do what you want. If you want to play with Legos, then do it. If you want to colour, then colour.

#### Lego:

With the little coloured blocks, the possibilities are nearly endless. We will complete Lego challenges, build cities, and watch our imagination come to life. We will be working with basic Lego and Lego mechanics.

#### Sports:

GOAL!!!!!!!!!! That's right, it is sports time. In sports, we will play many different games and activities (i.e. football skills, coordination, getting the perfect beach body). Our goal is to get you moving and having fun after school!

**PHORMS  
MÜNCHEN**

## **Tuesday**

### **Dance Party:**

“Everybody Dance Now.” The Dance Party will introduce the children to different musical and dancing styles through a variety of activities and games. It will help promote good balance and coordination. But most of all, the students will have a lot of fun.

### **Free Play:**

It is nice to be able to just relax and do what you want. If you want to play with Legos, then do it. If you want to colour, then colour.

### **Woodworking:**

Woodworking is a great skill to possess because it teaches us concentration and precision, and gives us a sense of accomplishment. We will not only learn how to saw and sand, but how to use a wood burner and apply a finish.

## **Wednesday**

### **Book Club:**

Do you like to read? Do you enjoy listening to stories? If so, join us. We will diving into the wonderful world of reading and complete cool activities along the way.

### **Free Play:**

It is nice to be able to just relax and do what you want. If you want to play with Legos, then do it. If you want to colour, then colour.

### **Games:**

Cool, what game is that? Improve your strategic thinking and problem-solving skills by playing games with your friends. You will have the chance to play not only Tic-Tac-Toe but board games, card games, dice games and many more!

### **Project Club:**

If you like building, making, and creating, Project Club is right up your alley. In Project Club we will work together come up with, design and create a variety of different projects.

**PHORMS  
MÜNCHEN**

## **Thursday**

### **Art & Crafts:**

“WOW! You made that!” The Arts and Crafts activity is perfect for every little artist. The students will work with a varied array of materials while honing their artistic and crafting skills (i.e. drawing, painting, sculpting, sewing, folding etc...).

### **Baking & Cooking:**

Every week our Phorms junior chefs will prepare variety of different culinary delight. They will be baking and cooking following child friendly recipes. The students will not only learn everyday kitchen basics but nutritional facts along the way.

### **Free Play:**

It is nice to be able to just relax and do what you want. If you want to play with Legos, then do it. If you want to colour, then colour.

### **Photo Club:**

Say cheese! We will delve into the world of photography completing different challenges and having a blast taking photos.

## **Friday**

### **Free Play:**

It is nice to be able to just relax and do what you want. If you want to play with Legos, then do it. If you want to colour, then colour.

### **Games:**

Cool, what game is that? Improve your strategic thinking and problem-solving skills by playing games with your friends. You will have the chance to play not only Tic-Tac-Toe but board games, card games, dice games and many more!

### AP Study Time Guidelines

AP Study Time is an opportunity for the AP students, four days a week, to get their homework done while in the AP. If needed, the students receive assistance with challenging exercises but mostly students will be working quietly and independently.

Students, who do not work and distract others, are not allowed to participate. AP students who are not signed up and wish to do their homework may join AP Study Time.

Study Time: **15:55-16:45**

### AP Study Time Richtlinie

Die „AP Study Time“ im AP bietet den AP Schülern die Gelegenheit vier Tage in der Woche ihre Hausaufgaben zu erledigen. Während dieser Zeit arbeiten die Schüler hauptsächlich leise und selbstständig. Doch selbstverständlich kriegen die Schüler bei schwierigen Aufgaben Unterstützung.

Schüler, die ihre Aufgaben nicht erledigen oder andere Schüler ablenken, dürfen nicht teilnehmen. AP Schüler, die nicht angemeldet sind aber doch ihre Hausaufgabe machen möchten, dürfen jederzeit an der „AP Study Time“ teilnehmen.

Study Time: **15:55-16:45**

---

### Support Guidelines

Support is a chance for full-time AP students to get one on one tutoring from native speakers in **German and English or in Math**. Each tutoring session is **30 minutes long**. When signing up please note any special areas of interest. Students may sign up **only with a teacher recommendation**. Depending on demand, support may occur on a rotational or small group basis.

### Support Richtlinie

In „Support“ haben die vollzeitigen AP Schüler die Möglichkeit, eins zu eins Nachhilfe von Muttersprachlern in Deutsch und Englisch oder in Mathe zu bekommen. Jeder Einzelunterricht dauert **30 Minuten**. Schüler dürfen sich **nur mit Empfehlung des Lehrers** anmelden. Abhängig von der Nachfrage könnte es sein, dass die Nachhilfe abwechselnd oder in Kleingruppen stattfindet.

**\*\*\*Prior to signing up for language support, please talk with Mr Blessinger.\*\*\***
