Richard Petz, brass teacher and trombonist. I am an experienced teacher both for children and adults, and I have a lot of fun doing it. If you would like to learn to play any brass instrument, I will be happy to guide you along the way. (The brass instrument family: Trumper, Horn, Trumpet, Trombone, Tuba, Euphonium)

Bio: I started playing the instrument at age 8. After winning several national competitions it became clear, I would like to be a musician. In 2011 I got accepted to the Mannes College of Music in New York. I studied in New York for four years and received my Bachelor of Music degree in 2015. I continued my musical studies with Prof. Wolfram Arndt in Munich at the Hochschule für Musik und Theater, where I received my Masters degree in 2017.

While studying in Munich I won the solo trombone audition for the Bavarian Police Orchestra, where I played for a year. In 2018 I started my music pedagogy studies Hochschule für Musik. In 2019 I was appointed as principal trombonist of the Hungarian State Orchestra in Budapest for a year.

Currently I am offering brass lessons at Phorms. Hope to see you there :)

I teach students since many years from 4 years to unlimited age, all skill levels. Piano (Classical, Jazz/Pop, Improvisation) and recorder (Ancient Music, Baroque, Classic, Modern Music). I enjoy teaching, do it professionally and the very important teaching goal is that students enjoy learning music.

I take regular masterclasses at home and abroad. It is also important for me to regularly present the recorder and the piano on stage myself and play in various ensembles and recorder orchestras.

Violin Lessons:

Franziska Padberg

Mobil: 0179 7415357

Als diplomierte Violinistin im freischaffenden, künstlerischen Bereich unterrichte ich, neben meiner Konzerttätigkeit, verschiedene Altersgruppen schon seit über 10 Jahren. Die Freude des Lernens und den Genuss an der Violine teile ich gerne und es ist toll dabei zusätzlich u.a. die Entwicklung der Konzentration von den Kindern zu fördern.

As a violinist with a diploma (masters) in the artistic field for violin, I have been teaching since more than 10 years alongside my concert activity. I like to share the pleasure of learning and playing violin and it is always great to also help the children to develop their concentration through the violin.
