

Information on the traffic situation at our school

Our central location in Alt-Bogenhausen is much appreciated by all of us. At the same time we want to maintain a positive relationship with our neighbours. Accessing our school is quite difficult, especially during the peak times. For that reason we have established a few rules which we ask you to follow when **dropping off** and **picking up** your children:

- Primary and Secondary children (generally all school children) need to be dropped off or picked up by the entrance in Maria-Theresia-Straße exclusively. This applies to the times between **7.45am and 8.15am** as well as from **3.15pm to 4pm**. Please stop in your car for as short a time as possible. Please also say goodbye to your child in the morning in the car, and have their school bags ready inside the car instead of in the boot/trunk.
- Maria-Theresia-Straße should be accessed from Höchlstraße (see map on page two) for optimum traffic flow. This ensures that all children can climb safely in and out of the right hand side of the car. Furthermore this results in the cars continuing their journey via Maria-Theresia-Strasse. We strongly recommend to adhere to this direction in order to avoid a major traffic jam in Höchlstrase.
- Pedestrians, pupils using public transport and cyclists may use the Neuberghauser Straße entrance to get onto the school campus. Please remind your child to always use the assisted crossing on the corner of Möhlstraße/Hompeschstraße. All bicycles are **only** to be parked in the bicycle stands on the school grounds. It is not permitted to park bicycles in front of the school campus.
- Parents who bring their child to Morning Care **before 7.45am** or are picking them up by car from the Afternoon Programme **after 4.30pm** may use the Neuberghauser entrance. However, please make sure that you stop or park your car for a minimum length. Also ensure that your car is not parked illegally!
- Parents who have children in Kindergarten are allowed to park their car on Neuberghauser Straße when dropping them off and picking them up. Once again it must be ensured that you are not parked illegally and that the length of your stop is kept to a minimum This allows other parents to also stop only briefly. Please be so kind as to respect and follow these instructions for the sake of the school community.
- To avoid the rush, we recommend Kindergarten parents to drop off their children **after 8.30am**, if possible.
- For all other parents it is **not** permitted to park in Neuberghauser Straße during the times from **7.45am to 9.00am** as well as from **3.15pm to 4pm**.
- Parents who send or collect their child by taxi need to instruct the taxi driver to take the child to the Maria-Theresia Straße entrance.
